Several times we have heard people speak in attribution that we all have one origin "God". It is obvious that everything that was created was done by the creator known as "The Almighty God".

This edition is a cry to humanity on how we have lost track of our origin. So many vices are traceable to the children of "one God"; families are gone apart, Nations are heating up against themselves and we can imagine how our Almighty father would feel. Every of these evil perpetrated at one another can only be a product of the quest of vanity and we must know that these acquisitions are like vapor that would fade away and we would be able to do absolutely nothing about it.

We are therefore urged to live our lives in consonance with the pattern of the one true God who remains the only source of man's existence.

Read and be changed!!!

All human irrespective like their father the devil, make. God created us all and of race, colour, sex or the work of their father they said we are all good. Some language are one, and do daily. world and its glory, your flesh inclusive will expire. The word of God asks, "what shall it profit a man to gain the whole world and loose his soul what can man give in exchange of his soul". See, if you are joking with sin, you are playing with your eternal destiny because a day is coming when you will leave this world into eternity but by then, it will be too late to cry. It is too late to cry when the head is off. The generation of Noah is no where now. Sodom and Gomorrah is no where now. The book of Genesis 6:1-13 revealed the wickedness of man's corruption did not start today. There have been corruption in politics, marriage, social life, business and then God said to Noah "I see that man has corrupted ways upon the earth. The end of all flesh is come before me; for the earth is filled with violence through them and behold I will destroy them with the earth". Did he do it or not? He did as he said. He is warning our generation now but we seem not to be listening. I pray that we will not seek mercy when mercy has been withdrawn from us. Then we will yearn after him but he will not give attention. But the end of all things is at hand, be ye therefore sober and watchful unto prayers. I Pt. 4:7.

The world is passing away. You are also passing away. Time is coming when you will no longer have pleasure in things you loved

to do. Old men and women in our midst today where ones like us and now, they are not ready for sex, meat, drink, even to dress up is an issue to them because they are already tired of everything meaning eternity is near. Enough of running after this world. As you can see, there is evil everywhere. It is only in Christ Jesus you can be saved. The name of the Lord is a strong tower the righteous run into it and are save. A thousand shall fall at your right hand and ten thousand at your left hand side, it will not come near you, only with your eyes you will see the reward of the wicked. Greater is he that is in us than he that is in the world. One with him is more than conquerors. He is able to save those who trust him.

The major problem with the world is that believers are joining sinners to do evil. Evil did not start today, Jesus even say, in those days iniquity shall abound, the Love of many shall wax cold. Do not let your love for God wax cold. Do not join them to do what they do. Live right and pray for them. They may not join you now in faith but bible says, righteousness exalt a nation, when you are exalted, they will run after you and join you to serve your God. Teach them the way of God. When they receive Christ, then our world can be reunited, then we can answer one nation. For now our heart is far from oneness and the devil is happy and taking advantage. In Jesus is one faith, baptism, love, and God who is above all and in all in him we all exist (Col. 1:14). Without him we can do nothing. In him we live, move and have our being. Whether we believe it or not, the end of all things is at hand. Very soon, all we can see will be melted by fervent heat. 2 Pet. 3:10-11. They that reject Jesus will regret. If you are not born again, I urge you to have a rethink and repent now, if you reject him now, he will be your judge and of course he will not pardon you but if you receive him he will accept you and reward you accordingly.

Obedient

"Therefore thus saith the Lord God; Behold, mine anger and my fury shall be poured out upon this place, upon man and upon beast, and upon the trees of the field, and upon the fruit of the ground; and it shall burn, and shall not be quenched. Thus saith the Lord of Hosts, the God of Israel; put your burnt offerings unto your sacrifices, and eat flesh. For I spake not unto your fathers, nor commanded them in the day that I brought them out of the Land of Egypt, concerning burnt offerings or sacrifices: but this thing commanded I them saying, obey my voice, and I will be your God, and ye shall be my people; and walk ye in all the ways that I have commanded you, that it may be well unto you". Jer. 7:20-23.

Sis. Delight NWABUO

Obedient is the willingness to carry out God's wish. Being submissive to God's instructions. God speaks to His children. He spoke to our first parents Adam and Eve. He still speaks today. What He required from us is to obey Him. To follow His instructions. To keep His rules. "And the Lord God commanded His people, the Israelites that He is not salute him. And Samuel interested in their burnt offerings and other said, what hast thou done? sacrificial offerings. When He delivered our And Saul said, because I saw ancestors out of Egypt, He never said anything that the people were to them about wanting burnt offerings and scattered from me, and that sacrifices as such. But he said obey me. Do what I thou camest not within the say and I will be your God and you will be my days appointed, and that 2:16-17. From the beginning of human race, God had expected obedience and acceptance of his word as absolute truth. Faith and obedience were the principles that would govern Adam's relationship to God in Eden. God warned Adam that he would die if he rebelled against the will of God. God spoke specifically about not eating from the tree of the knowledge of good and evil. Adam had to trust God's commands because he did not yet know the reality of human death. thy God, which He God gave the command as a moral test. It gave Adam a definite and intentional choice to believe and obey, or to doubt and defy his creator's will. As long as Adam believed God and burnt offering to me, and obeyed, he would enjoy eternal life and peace offerings. And he fellowship with God. But if he sinned by offered the burnt offering: disobeying, he would experience moral disaster and it came to pass, that as and suffer the tragic consequences of death. soon as he had made an end God is still the same today. He cannot condole of offering the burnt sin. Disobedient to His word brings death and offering, behold, Samuel eternal separation from God. Disobedient is sin. came; and Saul went out to meet him, that the might His people, the Israelites that He is not salute him. thy kingdom shall not continue". I Sam. 13:8-14a

Saul a choice young man was chosen and anointed by God. God changed his inner personality; perspective and his character through the anointing of the Holy Spirit. The change was not conditional or permanent. Rather, it was something that needed to be maintained by obedience to God. When Saul refused to obey God, the Spirit of God left him. In our time, no matter the level of anointing one carries, we must be obedient and submissive to God. Note the instruction was given to him by Samuel. When you disobey God's servant, you disobey God. God had told Saul exactly what to do; wait in Gilgal for the arrival of Samuel, who would offer sacrifices and give further instructions. God tested Saul's obedience by delaying Samuel beyond the seven day. Acting out of a feeling of hopelessness, misguided assumption and with a degree of arrogance, Saul overstepped his God given role and offered a sacrifice contrary to God's instructions Samuel told him that God would take the kingdom away from him.

"Obey them that have the rule over you, and submit yourselves: for they watch for your souls, as they that must give account, that they may do it with joy, and not with grief; for that is unprofitable for you". Heb. 13:7. Pastors wives/teachers and organ leaders must be based on a higher loyalty to God. The Christians Loyalty on a descending scale is as follows: first to God in a person to person relationship, including faithfulness to the truth and principles of His word. Second, to the local church body (i.e. congregation, community of true believers) as it remains faithful to God and his written word. Third, to godly leaders within the church as long as they remain faithful and loyal to God, to His word and to His mission for the church.

"Samuel also said unto Saul, The Lord sent me to anoint thee to be king over His people, over Israel: now therefore hearken thou unto the voice of the words of the Lord. Thus saith the Lord of hosts, I remember that which Amalek did to Israel, how he laid wait for him in the way, when he came up from Egypt. Now go and smite Amalek, and utterly destroy all that they have, and spare them not; but slay both man and woman, infant and suckling, ox and sheep, camel and ass. And Saul smote the Amalekites from Havilah until thou comest to Shur that is over against Egypt. And he took Agag the King of the Amalekites alive, and utterly destroyed all the people with the edge of the sword but Saul and the people spared Agag and the best of the sheep, and of the oxen, and of the fatlings and the lambs and all that they destroyed utterly then came the word of the Lord unto Samuel saying: It repenteth me that I have set up Saul to be King for he is turned back from following me, and hath not performed my commandments. And it grieved Samuel and he cried unto the Lord all night". I Sam. 15:1-3, 7-11.

The Amalekites had been the first to oppose the nation of Israel as they wandered in the desert after leaving the slavery of Egypt Exo. 17:8-13. They represented evil power and opposition to God, his people and his truth. It was Saul's responsibility to totally destroy the Amalekites because of their evil ways. But Saul failed to fully obey God's command about the Amalekites by sparing their King, the best livestock and other spoils of war. He even tried to offer the false excuse that he had good intentions and had spared the best things to sacrifice to God. The Lord did not accept that selfish excuse and later rejected Saul as King. Saul's bad example teaches us that "partial obedience" is really disobedience. God requires full obedience. The spread of the Amalekites' wickedness cruelty and stubborn rebellion was so extreme that removing their innocent children from earth was an act of mercy. Recall that back in Noah's time God grieved over the fact that people's wickedness had become so widespread, extreme and acceptable that the only hope for the future of humanity was to destroy everyone. Gen. 6:5-7 and start over with the family of the only godly man left in this situation as well. God decided that the Amalekites had to be completely destroyed from the earth. It was better that their children die as infants than live under the influence of their parents corrupt and wicked influence. This situation was also similar to when God called for the total removal of the evil inhabitants of Canaan when Israel first entered the promised Land. The Lord knew that even the slightest bit of wickedness that remained unchecked would increase, spread and infect the character and culture of His people. He did not want even the smallest amount of the Amalekites' evil influence to survive and affect the lives of His people.

Saul rebelled against God by disobeying His clear instructions. It had become clear that he was not committed to obeying God's plans with his whole heart. He seemed to view God's instructions simply as one of his choices rather than the final word of God to be obeyed. He did not consider God's word sacred enough to be followed in every detail. If you are willing and obedient, you shall eat the good of the Land. Isa. 1:19-20.

"What is wrong had created a big scene in the Suddenly, My bones grew weak, with this man?...In our 8 years of marriage, I have school. Teachers/staff ran my voice was gone, and my never seen him like this. This is so strange!" I towards us from every throat was very dry. (I thought I managed to put myself together, as my son was direction. The shouts of was having partial stroke) I left already late for school. I served Junior his "madam sorry", "take it easy the school premises feeling breakfast and we set out for school. On getting to ma" filled the air. I wanted to totally exposed /naked, dejected school, I realised that I had forgotten the school's quickly do a damage control... and heart broken. I sat down in bank teller at home. It was a new term and we pulled away from the crowd, the car and wept bitterly. I didn't needed to pay school fees. After sending the boy opened my bag, pulled out my realise that the little foxes can really mess up the big vines.

My secret sins have finally caught up with me "Sitting in my car, even with the air conditioner set to the lowest temperature, I was sweating profusely." "I cannot forget in a hurry how I allowed my bestie, Tega, to brainwash me with her sweet talks. She often told me how she makes a lot of money (off her husband) from the house keep allowance, house help allowance, school fees, NEPA

bills, estate security/maintenance bills, even at every opportunity she gets. (She calls it... extra income for the "Super-Smart Big Gurls") Ever since Junior entered primary school, I made up my mind to become a super-smart big gurl....Since, I'm the one in charge of liaising with the school and sorting out everything about Junior's academics. It was very easy for me to cut corners. My husband usually sends the money to my account, He sends whatever amount I ask him to send for school fees. (Since he works outside the city and only comes home fortnightly) While our son was in Primary 1 & 2, on many occasions, I collected up to 4 times the total amount requested by the school from my husband. Now that our son is in primary 3...My husband called me to send details of the school bills to him. Even yesterday morning, he asked me to confirm the details again to him via SMS or chat. He promised to send the money latest today by 12 noon. Though the total bill was just about one hundred thousand naira, I sent inflated figures to my husband, requesting for a sum of about half a million naira (about 5 times the real value.) My husband totally trusts me and doesn't have any reasons to doubt me until now. Eventually, I managed to put the car back on the road. (Though I felt I was not the person driving the car...my heart was racing) On getting home, fidgeting, I went to my husband's room...there, lying on his table, I found a note written in my husband's handwriting: TD THE STRANGE WOMAN IN MY BEDROOM: "Yesterday, I came home much earlier than you expected. I wanted to surprise you with a piece of property (a multi-level building) that I just acquired for you in central district of Abuja... In fact, I purchased the property IN YOUR NAME. While I was looking for a safe place in your room to put the building documents, I stumbled on Junior's school bill for this term. I also noticed that you have clearly doctored the bill. I didn't believe it...So I gave you another chance to tell me the truth (when I asked you to confirm the bill again via chat, yesterday morning). But instead, you sent me exaggerated figures again. I was forced to trace the school yesterday afternoon, just to confirm what you sent to me (hoping that I was wrong about you)...only to discover that what you sent to me is way over and above what the school actually required. I can't believe that I have been living with a lying woman and a cheat. How am I sure that the one I call Junior, is even my son? When I get back to town, we will go for a DNA test." That was when I realised what Jesus meant when he said: "It is finished"my marriage of 8 years was completely finished! I had betrayed my husband's trust. How would I ever earn his trust again? Even if he forgives me, Can he ever trust me again? Can I say I still have a marriage? Can this marriage still Work? I want all women (single & married) to learn from my story. No matter the freedom or freehand you are given...pls don't abuse it. It is the little foxes (of lying, hiding things) that spoil the vine of good relationships/ marriage. Be faithful, loyal, open, truthful, and straight-forward with your partner, in all things and at all times. You may not cheat by having extra marital affair(s), but I hope you are not cheating in some other underground or silent.

WEDNESDAY YOUTH FELLOWSHIP YOUTH EMPOWERMENT PROGRAM **STRENGTH** (KNOWLEDGE) DANIEL 11:32(b)

When we say someone is to do exploits, we speak of a verb- the ability to do something. So when we say, "do their God...", it also means that 'knowing their God' is expressed in 'doings' and not just head-knowledge. When you know God, it will show in your doings. From my own findings, Knowledge connotes 'facts, information and skills' acquired through experience or education. This shows that knowledge can be gotten via experience and skills, and equally via study and education. It is also the practical or theoretical understanding of a subject. In order words, we aren't just saying it can be gotten merely through theory (just reading through the Scriptures), but also saying it could be practical knowledge gotten through experience. Also, knowledge of the truth is central and paramount to Freedom. John 8:31 says, "and you shall know the truth..."The thing is, put it in chains so it doesn't wander off. But when "and" is used, it means it is connected to something before you it. (seeking Him)". When we decide to let it stroll a have been seeking "...then we bit, you can 'set it free' by simply removing its chain, knowing that you will put it back on later. But when you release the dog, never to be bound again, then that is the act of 'making set you free...', but fact remains is the Truth goes beyond free'. 'Set free' is used only when that use the word 'set', then the freedom will be taken back again, causing that individual to be placed in bondage again; so the Truth doesn't set free, it MAKES free. This

is also why the Bible says, "If the Son of Man shall make you free, you shall be free INDEED."

At this juncture, we will be breaking down our text, and studying it piece by piece: Daniel 11:32(b)

Firstly, it says, "But the people that do know their God..." We shall begin by firstly working on "...their God...". Jonah 1:6. Under this, I'll say that if you are a Christian and you have been coming to Church, then you surely must know a God. In Jonah 1:6, we see Jonah in a ship at the verge of wrecking, because he was running away from the presence of God. And in that ship, due to the terrible tempest, each man was calling upon his own god...and someone advised Jonah saying, "... call upon thy own God..." This therefore means that, if they had called upon the God of Jonah, there would have been no reply, and if Jonah had called upon their god, their would have also been no reply. In short, it was a time for every man to relate with his own God- and this further means that "Results oftentimes are gotten when you have a relationship with your own God." But sadly, we have Christians who have relationships with their mother's God, who though may go through the Bible, yet without an 'experience', they will not be able to have a relationship with their own God. And in verse 9, Jonah says, "I am an Hebrew, and I fear the Lord..." And at this I ask, "If

you fear someone and he asks you to do something and you refuse, please is that fear?" This only because he might not have shows that, 'Theoretically, he had the real experience. knew he ought to fear..' But for See, whatever strength you the other men in that same ship, will get from the knowledge verse 10 tells us that at the that is borrowed, confession of Jonah, they became knowledge that is not afraid; Why? It is possible that experiential, may not be somewhere, somehow, they had able to stand the test of gotten an experience of what the time; but in some few God of Jonah could do. That's why occasions, the Lord may be they got angry with Jonah and of help. Therefore, its better asked him, "Why have you put is in you get whatever it is that this problem?" So, many a times, you desire to get, from your the excesses we experience in our own experience. lives is because we don't know -On to the next point God, as our God. You may know which is the body we have Him as the God of the Church, and "...shall be strong..." - the God of Abraham, Isaac and strength- Proverbs 24:4-5, Jacob, but if you check your "A wise man is strong; yea, a relationship with Him, 'Is He really man of knowledge your God?' It therefore means that increaseth strength." This though we know God, yet we can't Scripture shows that a man be strong, because we don't that has knowledge grows KNOW Him as our own God. from strength to strength.. On the above note, I'll say And we remember the that 'The strength you will get on Scripture which says that, the basis of someone else's "Those that do know their encounter or experience with God God shall be strong..." So, as may not stand the Test of Time.' you are doing the 'doings of The person may be your father, or knowing their (your) God', your mother or anyone else with a your strength as a wise man testimony, yet the strength you (a man of knowledge) will will get from that person's increase." You know, we encounter, will not stand the test always here that phrase, of time. We know the story of 'New Level, New Devil'; and Samson. Samson wasn't the as you go to that next level young boy who had the with that continuous '...do experience with the angel, it was know...' knowledge, the his parents who had the Bible says your strength will experience with the angel, they continue to increase. See, were given the rules. So Samson we live in a world today only got his strength from what he where you can't move heard from his parents, and anywhere without power

nor strength, you can't even do 'ignorance as against knowledge', was trying to reconcile anything, when you are powerless... I certainly don't mean 'head back to Christ knew the So as a matter of fact, every Christian knowledge', but in 'doings'. Scriptures more than I needs to seek strength; and the best ignorance sponsors oppression. did. I went home and major way to do so is not to And there will be times when confused as to why he actually 'seek strength' itself, but certain things will occur in your knew so much, yet rather to 'seek knowledge!' The best family and even personal life, remained in such a way to acquire strength is not to look which you will know shouldn't state, far from God; and for strength, but to look for even occur because you are a I discovered that knowledge: for if you want to just look Christian, but you just can't do though we can gain for strength without knowledge, you anything about it. There is an Knowledge, like I said, will end in the hands of a native information you must first get; through study and doctor. There are pastors you may there is an experience you must through experience, have heard of who now patronize such first have, before you will have ignorance will still make witch doctors, but when you inquire strength! WEALTH, HEALTH AND HOLINESS

3 Jn. 1-2; Heb. 10:7

The topic talks about complete prosperity. Prosperity is the will of God for the heavenly bound. Obadiah 17 says upon Mount Zion there should be deliverance, holiness and the people shall possess their possession. John the divine is known for purity, divinity and love. He says in 1 Jn. 2:15. Love not the world neither the things of the world, for if any one love the world, the love of the father is not in him. The world passeth away but he that believe in the Lord abideth forever. It is expected that we prosper in everything. Poverty is not part of our redemption promise. We were promised all round prosperity but not as the world gives, God says in (3rd Jn. 2) I wish that ye prosper and be in good health even as your soul prospers.

We are called to do absolutely the will of God for by so doing we will enjoy prosperity spiritually, physically, mentally, socially and otherwise. We are special people and are treated as such. 1 Pet. 2:9 says we are a chosen generation, a royal priest hood, a

special people, a peculiar nation called to declare the praise of He who calls us out of darkness into His precious light. Abraham according to Gen. 13:2, 8-9 forsook the world and followed the Lord. He was then made wealthy in every area not by his struggle or wisdom but by God's mercy. Abraham's descendant Isaac for example also enjoyed the three fold of prosperity (wealth, health and righteousness). In Gen. 26:12-14, Isaac sowed in the land of the Philistines and reaped hundred folds. The Philistines envied him. Why was he so prosperous? It is simply because he followed the footstep of his father. If you do same you will also prosper beyond measure in Jesus name. You need not be afraid of what is going on all over the world. Just hold on to God. The Bible in Ps. 105:37 revealed the hand of God upon the children of Israel in Egypt. The more they were

troubled the more they prospered. 2 Cor. 8:9 made us to know our place in Christ Jesus. He was rich but for our sake he became poor that through his poverty we might become rich so many are deceived that if you become a Christian you will become poor. The truth is, the Lord is the one to show you were to cast your net for a great catch. He is in charge. He says, silver and gold is mine. If you are a child of God yet in lack, you must be suffering out of ignorance.

Our God is incomparable. His wealth is immeasurable. He says let not your heart be troubled, you believe, in my fathers house are many mansions. I go to prepare a place for you and if I go I will come

back and take you to my self that shall be built up. If our where I am there ye maybe also. In nation can return to him, he Matt. 17:24-25, Jesus proved, to will build us, restore us, heal his disciples that he is even in our land and put away charge of the world currency iniquity from us. If we when he sent them to go and continue in wickedness, we catch a fish, open the mount, pick shall die without money and pay up their taxes and knowledge. Leaders at not offend the Pharisee. Even the every level should fish obeyed the Master and remember your ancestors, produced solution to the problem They are no more. One day of this present time to produce dust. For you to spend your your desired solution in Jesus days in prosperity and your name. People say manna no years in plenty you msut be longer fall. I tell you God is still on the Lord's side. This feeding his own with manna world is not our own. Let no today. He will never allow you to one die the death of sinners lack or want. Let your own manna because of things of this located you from the four winds of world that passes away. Ps, the earth in Jesus name. Have 2:50. God says every beast your business or contract closed, of the fold are his if he were God will do it again. Peter toiled all hungry he will not ask from through the night but caught us. Let us not think we will nothing but at the word of the bribe our way through into master he lunched again into the heaven with our wealth. deep. Behold the great drought of Righteousness is the key. fish. It was so great that he God is not glorified beckoned for help and fishes were when we are sick, poor, a harvested. Considering the great laughing stock of his catch, he marveled at the person enemies. He therefore is of Jesus. Still trembling he said willing to do anything for us master, depart from me for I am and for his glory. Right from not worthy of you. Eden, God has been God is the one that prosper providing for man. You are the righteous (Phil. 4:19). He is the not forgotten. If he made one that heals the converted. He is you, he knows about your our ever present helper. All we needs and is able to meet need to do to keep his friendship them. What rob's us is sin, and fatherly love is to be holy. I The book of Isaiah 55 says Pet. 1:15-16, 18:19 says, be ye the hand of God is not short holy in all manner of conversation that he cannot deliver for I am holy. It is by so doing you neither his ears heavy that

he cannot hear our prayers, it is sin that separate us from God. If you can repent from your wicked ways, he will restore wealth, health and holiness unto you and when you die you will leave here with hope. Sinners die miserable death. Most people today are slaves to sin because of earthly gain money especially 1 Tim. 6:10 say, the Love of money is the root of all evil. Many for love of money pierce themselves with many sorrow. Whatever you have is given to you by God be not high minded because a day will come that the owner will require your life. What if you are not prepared. I urge you now, lay hold on eternal life. Know that money, beauty, position, wisdom are passing away. Many have and use them to glorify the devil rather than God. Who do you glorify with what God has given you. Do you use your beauty to catch man and women for God or for the devil. Do you use your money to promote the gospel or send people to hell? You know better but I leave you with this food for your thought: Jesus is the only rock upon which you stand to make it into eternity in heaven at last. All other ground is sinking sand. God bless you.

TESTIMONIES

MY TESTIMONY DELIVERANCE FOR ME AND MY FAMILY

On August 10th last year, I lost my immediate elder brother. He came back from work, was given food to eat, he felt pain on his chest and went into the bathroom and that was where he became unconscious. He gave up before being taken to the hospital, he wasn't sick at all, no one can explain what happened except God who knows all things. We prayed that such will never happen again.

Early this year, I had a dream one night where two people I know told me that my younger brother had died, I rejected it in that dream. I told him and family members that we have to pray, few days later, my sister had a dream that I was in a coffin. I knew this was serious. We began to pray and God gave me a message that He will fight the battle for me and my family, that the battle belongs to Him. Few days after that message, my younger brother called to tell me that some armed men visited our house, they came with different weapons, break the wall into the house because they couldn't enter through the front or back door. They slapped him, searched his phone and apartment but couldn't find anything, one of them said 'make we dey go'. That was how God spared him.

March 24th, I began to feel pain on my right knee and I was praying over it then it moved up to my lap. I had difficulty walking, I took drugs and injections but it wasn't responding then it moved down to my ankle. My leg was swollen, I lost blood and weight and I discovered that it was an attack, I spent three weeks at home in order to recover because I wasn't able to walk properly. I went for test in the process, one of the places I went for test, the doctor told me that God really loves and am lucky to be alive. I was praying, people were praying for me. God gave me a message that it was from my office, some people there wanted to eliminate me but God intervened and disappointed them. Pastor Wale, my branch pastor visited and also prayed for me. God healed me, restored my health and my leg totally. People of God help me appreciate this God for what He has done for me and my family. Praise the Lord, alleluia!!!

Congregational Hymn

MY HOPE IS BUILT ON NOTHING LESS 4/7/2021

- My hope is built on nothing less
Than Jesus' blood and righteousness;
I dare not trust the sweetest frame,
But wholly lean on Jesus' name.

**On Christ, the solid Rock, I stand;
All other ground is sinking sand,
All other ground is sinking sand**

- When darkness hides His lovely face,
I rest on His unchanging grace;
In every high and stormy gale,
My anchor holds within the veil.
- His oath, His covenant, His blood
Support me in the whelming flood;
When all around my soul gives way,
He then is all my hope and stay.
- When He shall come with trumpet Sound,
Oh, may I then in Him be found,
Clothed in His righteousness alone,
Faultless to stand before the throne!

IT IS WELL WITH MY SOUL 11/7/2021

- When peace, like a river, attendeth my way,
When sorrows, like sea-billows, roll;
Whatever my lot, Thou hast taught me to know,
It is well, it is well with my soul!

*It is well... with my soul,....
It is well, it is well with my soul.*

- Though Satan should buffet, though trials should come,
Let this blest assurance control,
That Christ hath regarded my helpless estate,
And hath shed His own blood for my soul
- My sin—oh, the bliss of this glorious thought!
My sin—not in part, but the whole,
Is nailed to His cross; and I bear it no more:
Praise the Lord, praise the Lord, O my soul!
- For me, be it Christ, be it Christ hence to live!
If Jordan above me shall roll,
No pang shall be mine, for in death as in life
Thou wilt whisper Thy peace to my soul.
- But, Lord, 'tis for Thee, for Thy coming, we wait:
The sky, not the grave, is our goal:
Oh, trump of the Angel! oh, voice of the Lord!
Blessed hope! blessed rest of my soul!

BLESSED ASSURANCE 18/7/2021

- Blessed, assurance—Jesus is mine!
Oh, what a foretaste of glory divine!
Heir of salvation, purchase of God;
Born of His Spirit, washed in His blood
- This is my story, this is my song,
Praising my Saviour all the day long;
This is my story, this is my song,
Praising my Saviour all the day long
- Perfect submission, perfect delight,
Visions of rapture now burst on my sight;
Angels descending, bring from above
Echoes of mercy, whispers of love.
- Perfect submission, all is at rest,
I in my Saviour am happy and blest;
Watching and waiting, looking above,
Filled with His goodness, lost in His love.

SOFTLY AND TENDERLY JESUS IS CALLING

- Softly and tenderly Jesus is calling
Calling for you and for me;
Patiently Jesus is waiting and watching
Watching for you and for me!

Come home!... come home!...

*Ye who are weary— come home!
Earnestly, tenderly Jesus is calling
Calling, O sinner, come home!*

- Why should we tarry when Jesus is pleading
Pleading for you and for me?
Why should we linger and heed not His mercies
Mercies for you and for me?
- Time is now fleeting, the moments are passing
Passing from you and from me;
Shadows are gathering, deathbeds are coming
Come for you and for me!
- Oh for the wonderful love He has promised
Promised for you and for me!
Though we have sinned, He has mercy and pardon
Pardon for you and for me!
